

## MEWP–Mobile Elevated Working Platform Training

This half day course is designed for operators who do not hold a certificate in the operation of mobile platforms.

Certificates are awarded to participants who are successful in both the theoretical and practical tests. These certificates are valid for 3 years.

### Objectives

*On completion of this course, participants will be able to:*

- operate a MEWP safely, reducing the risk of injury to operators and pedestrians
- use safe operating habits
- understand the potential adverse consequences of their actions
- refuel/recharge MEWPS safely
- position MEWPS in relation to task safely

### Course Programme

- Introduction to course
- Introduction to MEWP
- Safe operating practices
- Elementary operation
- Explanation, demonstration and guided practice in the correct procedures to adopt when operating a MEWP
- Examination (written and practical)

**Participants:** 4 maximum per course

**Duration:** ½ day course (1 machine)

Full day course (2 machines)
